

December 2013: ONE week until the Holiday Mall! f share

Last chance to make a BIG difference on Christmas morning!

Children shouldn't suffer the effects of poverty and unemployment, especially at Christmas. **It's not right or just.** Every year at this time, hundreds of you help us provide [gifts](#) that make the holidays happy times for kids who'd otherwise have nothing. That shouldn't happen in our wealthy region. If you can, **please [help out](#) by Thursday 12/19!**

Athletics motivating students to excel

A [Heisman Trophy Trust](#) grant pays for athletic opportunities and study sessions at Stamford Academy. We offer rugby, men's and women's volleyball, men's and women's basketball, cheerleading, and more. All give our youth a chance to learn vital teamwork and communication skills and feel a sense of belonging, and the required study sessions keep grades up.

Imagine Christmas morning without presents:

That happens, right here in our own backyards. We think it's unfair for a child to have a lousy Christmas through no fault of her own. If you agree, [check out how you can help](#)--pull in your friends and family too!

New workforce development partnerships

We're honored to partner with the talented folks at [Napa & Co.](#) who recently taught youth in our [workforce development program](#) how to make a tasty holiday jam, which they sold at a Christmas market. We've sold produce grown by our kids to many top-notch area restaurants--bet you've eaten a salad with Domus greens! Marketable skills: the gift that keeps on giving.
