

Residential Summer Intern

Duties and Responsibilities:

- Help research and create a life skills curriculum (develop lesson plans for each individual life skill; pre- and post-test; activities to complete—both group and individual)
- Gather all Sanctuary materials and organize them in one place (including all psycho-educational curricula materials; video clips; forms) and develop ongoing activities to do with youth/staff that build on skills and are not redundant
- Create a resource of how you do summer enrichment from beginning to end, including a list of Friday field trips that have already been done (including weekly lesson plans, incentives, etc.)
- Contact the Department of Children & Family workers to get a complete and accurate educational history of our boys, including list of educational placements, transcripts from each one, and trends/issues if possible
- Create a faith-based resource guide
- Create an activity resource book separated by month and type of activities so people can look at things to do in Connecticut in September or can sort by type of activity
- Take an active role in the planning of and participation in the two summer intern activities
- Help devise a social media strategy for outreach to 18 to 25 year olds which will include using your social media channels to actively promote Domus

Qualifications:

- Commitment to Domus core principles and Sanctuary Model® commitments
- Data management experience

- Strong verbal and written communication skills
- Self-motivated, organized, and independent
- Strong work ethic and willingness to learn
- Concern for the population we serve
