

February 2013: Just one more month 'til Spring!

Fantastic mid-year results: Nice job, kids!

How are our kids doing so far? We assess many things at the beginning, middle, and end of the school year. One mid-year data point: Our Stamford Academy students' knowledge of word parts (a core literacy skill) grew 529% in three months despite 83% of 9th graders entering the school last fall reading four or more grades behind!

Three fun events...one with a celebrity!

First up: Our **spelling bee for adults** on March 21st, then a special concert with **Audra McDonald** (with an intimate meet-the-star reception!) on April 6th. Last, our May 11th **spring gala** @ Wee Burn Beach Club is a must-do. Be a sponsor! Buy a gala table! [Volunteer](#) on an event committee or help out the night of. New corporate partnership program

So many of our current corporate partners have had great experiences supporting our kids that we knew we had to expand this win-win situation. Need regular ways for your employees to give back? Want to connect your corporate giving to your values and teambuilding efforts? We can help: Talk with [Alison](#) about tailoring something to your needs.
