24 HOURS of frantic generosity!

It's back: Fairfield County Gives Day! Starting at 12:01am on March 9th, Fairfield County nonprofits will try to beat last year's record of raising over a \$1M, to help your favorite causes. We'll be looking for as many gifts (any size over \$10!) as possible. We'll reveal our giving link on DomusKids.org and [Facebook](https://www.facebook.com/DomusKids) soon!

AV skills as they advocate

Our Stamford Academy students are again creating a documentary **exploring a societal issue that affects them**. This year, they picked our country's bail system, which (since it's based on the ability to pay) means its impact on low-income people is more substantial and, at times, life-altering...and that's after being **ARRESTED** for something...you're still innocent. Our partner nonprofit in this work is [Civic Life Project](http://CivicLifeProject.org), who do this with schools throughout Connecticut.

Stuff We Need

...gift cards to help with emergency needs and attendance incentives
...gently used commercial icemaker for school cafeteria
