

January 2014: Brrrrr!!!

IT'S OFFICIAL!

We've been approved for a second round of financial and consulting support from the prestigious [Edna McConnell Clark Foundation](#)! Their PropelNext initiative helps a small cohort of promising nonprofits from around the country; each is aiming to improve its practices and become more data-driven. The past 18 months have been mildly grueling but

invigorating; we've learned a ton. Thanks for your support, encouragement, and tough questions: You got us to this point!
