

January 2018: Happy New Year!

You Transformed the Holidays for Hundreds of Kids!

We couldn't have done it without you! Thousands of toys and gifts donated for our Holiday Mall, thousands of food items donated to our Holiday Food Pantry, and thousands of dollars donated for food and gifts ensured that nearly 500 families were able to open presents and have healthy food during the school breaks. Thank you to everyone who adopted an

Angel Family, asked friends to bring toys to their holiday parties, volunteered at the Holiday Mall, or organized a gift drive at their office. You made what is often an economically stressful time for our families a joyous one.

Help Send Stamford Academy Girls to Museum of Women's Resistance

The young women at Stamford Academy alternative charter high school have dreams of becoming entrepreneurs, engineers, or professionals in other fields typically dominated by men. A trip to the Museum of Women's Resistance (MoWRe) in Brooklyn will help give these youth a greater understanding of the history of their race and gender and help them

see their true potential. The field trip is a part of Girls Circle an evidence-based curriculum that helps high school girls gain the skills to properly and maturely handle the complex relationship, resiliency, and self-image issues they may face. You can help make this trip happen. Please consider making a gift of any size today to ensure our girls have this important experience. January Is Mentor Month

A big shout out to our extraordinary Domus mentors during National Mentoring Month! Mentors often tell us that they cherish the time they spend with their mentee and consider this relationship one of the most important in their lives. You provide a generous heart, a great attitude, and one hour a week. We provide support and training to help you each step of the way. The next (and last) two-part training series for the school year takes place Monday, Feb. 26 and Monday, March 5 from 6:00-8:30pm at our Lockwood site. For more

information or to sign up for the training, please email [Julia Wade](mailto:julia.wade@domus.org), Director of Volunteers.
