

June 2017: Dads, grads, and more grads!

New video! Our kids talk about hope

Domus volunteer Craig Dobson (owner and producer at [Siberan Media](#)) created a **new video** where our young people describe the hope Domus helps them find in their lives. We thank him for his vision, caring, time, and passion for this

moving work of art. [CLICK HERE](#) to watch it, then forward this email so more folks hear from our young people!

It's graduation season...yay!

Every year, we eagerly await this time of year: school graduations! Students who doubted their ability to earn a diploma or move on to high school will walk across the stage with smiles and/or tears, and family members who supported them will cheer. For many kids, it's the moment they truly believe a bright future is possible. They don't know you, but they know you helped open that door. [Thank you.](#)

And finally...

Our annual appeal ends on June 30th at midnight. Unrestricted gifts help us meet sudden needs and lets us put financial support where our staff needs it the most to meet our kids' needs.

You can give [online](#) or [by mail](#).

THANKS!
