

November 2015: Giving Thanks

No child should go hungry

Jump on the Gravy Train! Let's make sure no child goes hungry during the holiday school breaks (when kids are at home and not getting the two meals and a snack we provide). We run a food pantry before the Thanksgiving and Christmas school breaks--please help us stock it by [donating food](#)(or [cash to buy food](#)).

Volunteer at the Holiday Mall on Saturday, 12/19! We **WILL** run out of volunteer slots, so email [Julia](#) today for details or tweet her at [@DomusVols](#) for deets.

Oh what fun! The holidays at Domus

EVERY child should have a joyful Christmas. For years, you've helped us ensure that *no matter what is happening* in a child's life, she feels happiness Christmas morning. **There are many ways to help:** [donate cash to purchase gifts](#), [buy prezzies for our holiday mall](#), or [adopt an angel family](#). **THANK YOU; we're grateful for your immensely big hearts.** You'll have fun--we promise :)

Stuff We Need
...**SNOWBLOWERS!** We have to clear **over a mile** of sidewalk.
...old games and gaming systems (like Nintendo, Wii, PS2, and N64)
...5'x8' or larger rugs for classrooms
Check out our [Wish List](#) for more ideas.

Golf and NINER: sun, sand, sweat

The [2015 NINER](#) at Point72 Asset Management was a smashing success. Thanks to all the athletes, volunteers, and sponsors--we raised over \$218k! [Pix here](#). We had a sunny October day for our [fall golf outing](#) at the Country Club of Fairfield and raised over \$143k for our programs. You should be there (for either event) in 2016--visit [our events page](#) on [www.domuskids.org](#).
