

November 2017: #GivingTuesday!

We Are Thankful for You!

Your support today helps us ensure our vision that no child shall be denied hope, love, or a fair chance in life. The needs are great. Domus serves more than 1,200 of our community's most vulnerable youth through our schools, community centers,

after-school programs, employment training, street outreach, residential program for homeless youth, juvenile court diversion, and summer camps. As you remember a gift for Aunt Mabel, consider [making a gift to the kids of Domus today](#). Thank you!

Ho Ho Ho! Holidays Are Here!

The holidays can be a stressful time for anyone, but families who are struggling financially have the added stress of not being able to give gifts to their children. You can help ensure that kids have presents to open on Christmas morning and healthy food to eat during the school breaks. Our Holiday Mall allows parents to pick out just

what their kids want while our Angel Family program provides a full holiday for our most needy families. Click [here to donate funds for gifts](#), [here to donate funds for food](#), and here for [more info](#) about all our holiday efforts.

Volunteers Make It Merry and Bright!

So many groups, companies, and organizations make the holidays great for our kids. We are grateful to everyone who organizes a giving tree, gets their book group together to donate presents or food, adopts an Angel Family, or volunteers at the Holiday Mall. Pictured here with one of the many tables of food items they organized for our Thanksgiving Food Pantry are alumni families from Andover Phillips Academy who got us started this season. There are lots of ways to get involved, just go to our [volunteer page](#) or [holiday page](#) for more info.

Happy Holidays!
