

## October 2017: Happy Halloween!

### Domus Selected for CT Opportunity Project

With 39,000 disengaged or disconnected youth in CT, the Dalio Foundation set out to fund innovative programs to get these youth back on track in school. As a founding partner, Domus is one of nine in the cohort selected to improve student outcomes with an initial grant of \$150,000. Domus family advocates will collaborate with educators at Stamford High School to build relationships and provide personalized support to 48 disengaged 9th graders in the first year and 96 students in the second year. Learn more about our [program](#) as part of this exciting initiative from the [CT Opportunity Project](#).

### Diner Day November 2nd

It's almost time for Diner Day! Kick-off your holiday season with the teams from GE, PwC, and Synchrony Financial as they wait tables for tips for Domus. Don't miss the best homemade donuts in town and be sure to get this year's Diner Day mug. See you there on Thursday November 2, 7:30am - 2:30pm, at the Parkway Diner, 1066 High Ridge Road, Stamford, CT 06905. Click [here](#) to donate or for more info.

### Domus Opens a New Program in Hartford

We are proud to announce that we have been selected to run the school program in the Hartford Juvenile Detention Center. We know that an education can be the key to these young people's success so they can become positive contributors to their communities. As a trauma-responsive organization we also know the significance of helping youth find hope. Because of this, we are

particularly equipped and able to help these most struggling young people move forward in their lives for a better future.
