

September 2011

Results are in! Huge academic gains + more

We carefully track mounds of data to ensure our programs are meeting the aggressive targets we set—we owe it our kids and families as well as to our investors. We're proud to share with you [our results](#) from the program year we ended in June 2011. Thanks for making all that learning and growth possible...it's trite, but change can't be accomplished alone.

Fantastic fall golf at Woodway Country Club Oct. 11th

New location! Thanks to Tropical Storm Irene, we're playing at gorgeous Woodway in Darien. Golf, lunch, a fantastic evening reception, prizes, auctions—if you've never played this course in the fall, you won't want to miss our outing on Tuesday, October 11th. [Register online today](#)...foursomes are disappearing quickly! You can also [buy a ticket](#) for the evening reception if golf's not your (ahem) bag.

Happy...holidays?

Seems impossible, but the holiday season is right around the corner, and since a staggering 90% of our 1,000+ youth suffer from significant poverty, we ask you to join us: Help reduce the stress caregivers feel when they're unable to provide even a single gift for their child. Let's make sure every kid gets a gift this year. Can you find a way to help on the [holiday flyer](#)? More

information coming soon...

Our 7-minute online [video](#), courtesy of our friends at [RHI Entertainment](#), is an easy way to show a friend or colleague what Domus is all about.

Stuff Our Kids Need

- ...homemade meals
- ...school supplies
- ...a picnic table

What are your ideas? Check out our updated [Wish List](#).

Volunteer Needs

Mentors (always!), especially adult males, and a person to take care of our plants at Trailblazers Academy. Contact [Julia Wade](#) to hear about this and other ways to pitch in.
