Domus Volunteers - Spring 2013

Domus Volunteer Website

Have you seen the Domus <u>volunteer page</u> on our gorgeous new website? I'm hoping to keep it up-to-date with a variety of short- and long-term opportunities. If something piques your interest, just whistle. "You know how to whistle, don't you? You just put your lips together and blow." Or in the 21st century vernacular, shoot me an <u>email</u>.

Volunteer Spotlight

National Volunteer Week

April 21-27 is National Volunteer Week. In April, since 1974, Americans celebrate ordinary people doing extraordinary things through service. On behalf of a grateful country, THANK YOU.

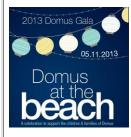

Mentoring

"I want to help but how, when I only have an hour a week to spare?" The answer? Become a mentor. From the desk of Sam Brown, family advocate at Turn of River Middle School, to mentor Tavis Tenney who uses his lunch break one day a week to meet with his mentee: "When I was walking R. to class after your first meeting, he repeated 'he seems like a very nice guy' multiple times. This mentoring relationship

means more to him than you know."

Domus at the Beach

We only need eight more volunteers to help at the gala on May 11th. The food is plentiful, the venue stunning, the guests love Domus (=really nice), and the event crazy fun. For all of you who can only help on weekends, here is your chance! Volunteer for any 3 hours between 5:30pm and 11:30pm. If interested, contact Julia Wade.

A Big Thank You for a Big Check

Earlier this year, First Niagara awarded Domus \$2,500 to support our programs and to celebrate the opening of its latest office on Summer Street. Branch Manager Sam Delgado recommended us after mentoring at Trailblazers for two years.
