

Domus Volunteers - Spring 2014

Cardfest

Help build a library of congratulatory and aspirational cards our staff can give to kids in Domus programs to honor their hard work, encourage them to attend school and persevere, and let them know we value and love them. Plus volunteering is a great way to meet like-minded nice people! Stay for an hour or three. Volunteers of all ages welcome--families, singles, and groups. We provide the decals, glue, paper, and scissors, and you

provide the ideas, good cheer, and helping hands. LUNCH PROVIDED. RSVP to [Julia Wade](#) or on [Facebook](#).

Summer 2014 Unpaid Internship Program

We're accepting applications until the end of March for our new summer internship program for college students interested in working with an organization that meets the needs of struggling kids in the areas of education, social and emotional well-being, and community engagement. If you have or know of a student who might be interested, we'd love to hear from them. For more information and to apply, visit our [website](#).

The Big Picture

Do you feel better when you volunteer? You're not alone. An apple a day keeps the doctor away...and, it turns out, so does volunteering. [Here's proof!](#)

Let Me Count the Ways

There are many people to thank for being part of the Domus family of volunteers.

Here are just a few:

- MBIA—group home cleaners and organizers
- McKinsey—taking Trailblazers 6th grade students to work for the 5th year in a row
- Sathya Sai—holding a health fair and giving away 100 flu shots
- All the mentors who love their kids
- Dr. Elizabeth Siderides for adopting the Trailblazers library
- Lisa Forrow for weekly classroom help
- Maxene Fabe Mulford for bringing her extraordinary writing program to Stamford Academy
- Reading Partners at Chester Addison Community Center
- And I can't forget the over 300 volunteers who helped make the 2013 Holiday Mall a smashing success!

"My most rewarding experiences throughout the year are working with the kids at Domus."

—Dr. Allen Levy, PhD,
a weekly volunteer at Stamford Academy

Volunteer Spotlight

Hats off to **Rob Thomas** for designing and leading an 8 week Saturday baseball program that culminated in 11 kids receiving a glove and paid registration to their local little league.
