

Holiday Everyday Food Market

for the youth and families of **DOMUS**

Domus supplements over 400 local families' holiday food budgets. Their needs extend beyond Thanksgiving's often not-so-traditional meal to what to feed their kids the next day and beyond. We're pre-assembling food bags for our families: those who want a traditional Thanksgiving meal and those who want grocery staples. Please consider donating a complete bag (in a reusable shopping bag); items listed below.
