

Adopt a

Domus Angel Family

Do you want to change the life of a local family this holiday season?

Adopt an Angel Family! This effort provides our most struggling families with all the frills of the holiday season. We specifically target families who would have no holiday celebration if not for being adopted. They're dealing with multiple, complex barriers to success, including severe poverty and social challenges. Connecting them with generous families means they're able to have some basic needs met, along with some special gifts they've asked for under their tree Christmas morning.

Adopters are given the family's story as well as info about each child in the family. They're also provided with a needs and wants list. The cost commitment to adopt a family is about \$600 to \$700, depending on the size of the family.

Not near Stamford? Don't have time to shop? We can help!
